## 4th ANNUAL ALUMNI PICNIC 1990

Sunday, September 9, 1990 marks our 4th annual FHS 25+ Alumni picnic. As you know, this picnic has become an annual affair where chit-chat runs rampant and classmates and friends join to reminisce about the good ole days at FHS.

This year, something new has been added. For your eating pleasure, we have contracted the services of the Winters Sausage Company and for a nominal fee, they will serve you

Hotdogs, Knackwurst, Potato Salad, Bratwurst and Sauerkraut dinners. This will be rounded off with Apple or Cherry Strudel for dessert and washed down by coffee or pop. Ice cream cones or sundaes will also be available from Diane's Ice Cream Service. If this menu doesn't suit your tastebuds, pack a picnic lunch using your own menu. Please remember that bottles of any kind are not permitted in the Fraser Park. CANS ONLY!!

Our roving video cameraman, Mr. Dave White will be on the prowl looking for that interesting conversation or that special greeting between friends. In the past, group pictures have been taken. However, this year they will be taken only on request.

Horseshoes, volleyball, basketball and tennis is available for the athletically inclined. A 50-50 drawing will take place at 5:00 p.m. Special prizes will again be awarded.

Tents will give us shelter from the outdoor elements. The VFW Hall will serve as our rain shelter in the event of inclement weather. Parking will be available at the VFW Hall. We encourage you to use this parking facility. Tables and chairs will be

As part of the City of Fraser's "Concerts in the Park" series, a soft rock group will be performing at the Gazebo at 6:00 p.m. If interested, bring your blankets or lawn chairs and enjoy the musical renditions of this group.

Fill out your questionnaire today and return it to the address on the bottom of the form. We would like your form returned to us by August 15, 1990. We realize that everyone cannot pre-register but we ask, that if possible, you do so. This allows us to better plan the day for you. It also gives us the necessary operating money needed for such things as tents, table deposits, etc. For those that are able to pre-register, we will have your nametag ready for you at the registration table when you check in. You may also register the day of the picnic.

provided. If you want something a bit more comfortable, bring lawn chairs.

A photo table and billboard will be available to put up any pictures you have from school events or past picnics. If you have duplicate pictures from past events, you may wish to donate them to our archives. Give these pictures to Helen Ayers Stovel at the picnic.

If you would like to place a Happy Ad in the next newsletter, use the bottom of the registration form for your ad. The cost of a Happy Ad is \$3.00 for two lines.

Mark your calendars now as this will be the only notice you will receive. Looking forward to seeing all of you at the picnic.

*Cappy Steyer*

Where were you? Yes, where were you the day of our FHS 25+ Alumni Club Reunion last September? Those of you that were at the reunion know what a great time we all had, and how much we enjoyed seeing some of our old classmates, that we perhaps hadn't seen for years, and catching up on all the happenings through the years. Rest assured some of your classmates were there, even if perhaps you were not. Some of you that weren't there, were conspicuous by your absence.

I can't begin to express the feelings that take over at a gathering like this. Everyone is just so enthused and genuinely glad to see anyone and everyone that they went to school with. Everyone is looking around to see if somebody new has arrived, especially anyone that they haven't seen for a period of 10, 20, 30, or more years. The day really goes by too fast.

All of us who put in our time on the board or committee or whatever you want to call it, are eagerly looking forward to this year's reunion. Some of you may not realize it, but we meet every third Wednesday evening of the month, hashing and rehashing things, trying to make each reunion & newsletter bigger and better than the last. So far, I believe that we have succeeded in our endeavors. We are sure that this year's reunion will be no exception. Last year's reunion brought out a total of approximately 480. This year we expect to approach 600 attendees. We even have people coming that attended Fraser High School but moved away before they graduated. A quick example (though there were many others) was Ann, Helen, Mary, and Betty Metz, four sisters who attended Fraser Schools back in the 1940's. Mr. and Mrs. Vivien Webb who used to have Webb's Drugstore

were there, also Mr. Roland Davies (a member of the school board for many years). There were many other interesting attendees too numerous to mention.

If you haven't been to any of the previous reunions, I urge you to make every effort to attend this one! I am certain that no matter who you are, or what class you were in, you will find some old friends at this year's reunion. The fact that you are there, could make the day for one or more of your classmates, besides giving you an exciting day of friendship renewals. So, Come on out! Join the crowd! Join the excitement! Don't stay away, lost in the woodwork of time! YOU'LL BE GLAD YOU CAME!

I and a lot of others are looking forward to seeing you here at our Fourth Annual Reunion.

With lots of fond memories,  
 Cappy Steyer (Class of '48)  
 Secretary - FHS 25+ Alumni Club

**P.S.** If anyone of you would care to join our illustrious group at our monthly Wednesday evening meetings, and be part of the action, we will welcome you with open arms.

**The Class of 1965 has tentatively set November 24th as their Silver Anniversary Get-Together**  
**Details will be mailed to all '65 alumni soon.**  
**Check the list of missing classmates. If you know the whereabouts of any of these folks, give us a call so they can get their invitation.**

## '64 HAS 25TH

Good food, good friends, and good times were the order of the evening as the class of '64 celebrated in grand fashion the 25th Anniversary of their graduation from FHS. Graduates, spouses, and friends gathered at the Troy Hilton over Thanksgiving weekend, 1989, to not only reminisce and renew

Dave Fisher, Cheryl Farmer and Joe Eterno

old friendships, but to salute the beginning of the nineties. The high-spirited D.J., Dr. BB, added spark to a crowded dance floor. In retrospect: it was a weekend filled with fond memories and sincere promises to keep in touch until the next (?) Class of '64 happening.

## CORRESPONDENCE

Correspondence continues to come in to committee members. As we receive it we will pass it along to you through this newsletter. Again, we love to hear from you in this way. While the preparation for our annual picnic and the newsletter is hard work and very time consuming, your words of encouragement give us the extra drive to continue. Please keep the correspondence coming!

Dear Donna (Steffens-Stonebreaker),

All of you are great to give time and effort to this project. The January 'News' brought back memories of so many old friends. Hope to see many of you next fall.

Love, Beverly Lee

---

Dear Audrey,

I hope to be at the 1990 reunion. I have been looking at the Alumni Newsletter I received. After looking at the photos, I wonder if I will recognize anyone. You folks are sure doing a wonderful job with the Newsletter.

Sincerely, Dale Bloomer

---

Dear Joyce,

The 25+ Alumni Newsletter is great! Keep up the good work. I really enjoy reading it and hearing how everyone is doing. I hope to make it to the picnic this year. It just seems that something else always falls on that weekend and we're unable to attend. Looking forward to the next Newsletter.

*Portions of a letter received from Norman Chase is printed below:*

Joyce Soltman Gozdor

Editor, FHS 25+

I have just been hit with 50 years of history, Not a full 50 years, but just prior to that - 1949 to be exact.

I was surprised to receive a copy of your Alumni Club Newsletter. My cousin, Harvey Sauder, sent me his copy. I had no idea the organization existed. I have often wondered what happened to the people I graduated with.

Let me give you a brief run-down on myself. I was a 1940 graduate. After graduation, I worked at the Chrysler Tank Arsenal. Right after Pearl Harbor, I enlisted in the then Army Air Corp. Did all the usual basic training stuff and ended up at McDill Field in Tampa, Florida. Just before the Bomb Grp., I left for overseas. I applied for and was accepted as an Aviation Cadet. I did all of my training as a pilot in Texas. Falling in love with the State, I finally settled here. During the war, I spent my service time in Europe with a Troop Carrier Grp. We flew C47's (commonly called "gooney bird"). Our function was to carry Paratroopers, tow cargo gliders, evacuate wounded and carry whatever else needed moving in a hurry. We kept General Patton supplied with gasoline and other supplies. For my efforts, I was awarded the Air Medal with Oak Leaf Clusters, ETO Ribbon and seven battle stars.

During my last year(s) at FHS, I helped on the first paper that was printed. I played right guard (No. 13) on the first football team the school ever had. My cousin, Ken Sauder, was Quarterback. My graduating class was a big class - 13, ten boys and three girls. When the class of 40 graduated, so did the football team. Our locker room was the school furnace room. As I remember, we didn't win any games either.

Looking over your January issue #4, I see a few names I remember, Helen Stovel Ayers, Grace Williams, Nellie Glatz, Laban Meyers and Bea Opel. My older brother, Reginald Chase, went to school with Fern (Longnecker) Berry and Willard Steffens.

Please pass on my regards to all the FHS Alumni. Gosh -- those were the good-ole-days.

Norman Chase

# ATHLETIC HALL OF FAME SEEKS CANDIDATES

The Fraser Schools' athletic department is in the process of screening candidates for its first formal induction ceremony to its sports hall of fame. A committee made up of nine coaches and administrators from present and past is pouring through the record books in search of candidates who meet the following criteria:

1. First team all state.
2. College All American
3. N.C.A.A. Champion athlete
4. Olympic game participant.
5. Major League team members
6. Catch All - Athlete or coach whose contributions may not have been recognized by the above criteria, but are worthy of consideration.

At this point the committee has thirty-five nominees, but seeks help from the community for nominations from the past (especially pre-1970). If a community member would like to nominate an ex-athlete or ex-coach, please respond in writing to Rick Repicky, Athletic Director, Fraser High

## HOMEcomings

Fraser High School's annual Homecoming festivities will be held October 20, 1990 beginning at 11 a.m. with a parade down Garfield from the City park to the football field on Klein Ave. The football game, Fraser vs. Romeo, will begin at 1 p.m. The crowning of the homecoming Queen will take place during half-time. Immediately following the game, punch will be served to alumni in the commons area of FHS. Rounding off the activities will be the Homecoming dance beginning at 7 p.m.

School, 34270 Garfield, Fraser, 48026. In your letter of nomination please include the nominee's name, graduation date, sport(s), and some detail of the accomplishments. The deadline for nominations is July 21st. The induction ceremony will take place at Homecoming, October 20, 1990.

## FHS FIRSTS

1940 - Track was added to the athletic program with 25 boys on the team. Seven qualified for the Regionals in Ypsilanti and the boys finished in 3rd place. Ten medals were brought back from this first Regional meet.

1940 - Mr. Cass Shaft introduced the first girls indoor track team and served as coach.

May 16, 1940 was the scene of the First Athletic Banquet for girls and boys. The banquet was held at the High School with the dinner being prepared by the Home Economics Class.

## AROUND AND ABOUT FRASER

Congratulations to Roni-Ann Deming. Roni-Ann, a 1990 graduate of FHS, was selected Student of the Month from the vocal music department. Over her six year association with the music department she appeared in Hansel and Gretel and the Music man. ## MISSING CLASSMATES

Keeping track of 1400 Classmates is a difficult and time consuming job. Frequently, we hear comments such as; "He lives right around the block" or "Her sister lives in Fraser". We need your help and if you can assist in tracking down anyone listed below, we would appreciate it. As you can see, the Classes of 1957, 1960 and 1962 and 1965 are missing many people. Please take a few minutes to review the list and if you know the address of any of these people, contact any one of the committee members. Also, if you know of former students that did not graduate, but attended a part of their high school years at FHS, let us know. We will include them on our mailing list and extend an invitation for them to attend our picnic.
