2006 Annual Picnic

Haven't been able to make it to one of the annual picnics yet? The following is a pictorial to help you visualize. President Elect Chris Fletcher '71, emceed all day, hawking tickets for the BBQ Raffle, Chinese raffle, 50/50s and all else that needed to be announced. He did this after he had attended his reunion the night before and helped set up the tent- the chairs - and the tables, early on in the morning.

Bob Poole '72 was the Chef dujour— setting up the food area - see all those sausages grilling? He also was the assembler and guardian of the BBQ that was for raffle.

John Porter '77 roasted a pig throughout the night. The proceeds from the pulled pork sandwiches benefited the Scholarship Fund- AGAIN this year and he is pretty sure he'll be able to do this AGAIN in 2007.

Historians Steve Urbaniak '77, along with Helen 'Ayers' Stovel '41, were the protectors of all the year-books, pictures and articles of the past. Steve also set up and ran the Chinese Raffle.

Pat Hallendy '65, Recording Secretary, organized the registration area. Nancy Fay '60, Past President, stands by to assist with the incoming alumni.

Jerry Koelzer '58, Advertising Coordinator, showed up bright and early, with coffee, helping with tables, chairs and the food area setup.

Three guys, who just liked to play together, Bill Hallendy '69, Joe Tackett '72 and Randy Holcomb '71, were very enjoyable - they also had a bit of a harmonica thrown in.

Lots of things to do, very few alumni to complete all of the things that need to be done. The picnic staff sure could use **YOUR** help.

In addition, she was student ambassador in the People to People program and received the Regional Gold Key and Certificate in art. She is a dedicated young lady for all her hard work. Best of luck, Kara.

TEACHER FEATURE

By STEVE URBANIAK '77

The teacher feature selection has turned itself upon the name of Kurt Muendelein. In an interview recently, I caught up with Kurt and asked him to tell the alumni club all about his long career in education

Mr. Muendelein, or Kurt, told me that he grew up in Mount Clemens. Asked about how he ever came to FHS, he replied, "Mr. Schook hired me. When I began teaching in 1966, Fraser was a fast-growing school district. They were always looking for young, new teachers. I was 24."

During his 34 years with Fraser (he retired in 2000), Kurt taught chemistry and physical science and math.

In the beginning, Mr. Muendelein was in the building now known as Richards Middle School, where both high school and junior high were housed. High schoolers came in early in the morning around 7 a.m. and stayed until noon. The junior high kids came in at noon and stayed until 5 p.m. "There were two sets of staff, both senior and junior high teachers. Some taught both groups of kids, but would not start as early or stay as late, sort of a split shift like from 9 a.m. to 3 p.m."

His philosophical belief was away from the flat-earth society, which promotes getting kids to think for themselves. "There's a big world out there and these kids have to realize that there is so much more than they experience in their day-to-day lives."

Part of this is due to his promotion of the K-experiment (K is for Kurt, of course). This has students putting various elements into a beaker of water and noting their observations. "Lithium is a light metal which fizzes in the water. Sodium is more vigorous, it may even smoke. But potassium is highly reactive. It nearly always has flames shooting out. Imagine what the kids thought then. The beaker almost blew up!"

Another incident involved an open bottle of lead sulfide. "This substance was very odoriferous. It smelled up not only the entire room, but was going out in the hall," Muendelein expounded. Outside of school, Kurt was involved with the Travel Club. "Usually Bob Lask would take the kids to Washington, D.C. I would go along sometimes, or it was Mr. Butler. The kids loved going far away and seeing the Smithsonian Institute."

Muendelein also explained that he was the person who came up with the idea for the naming convention of the block scheduling put in place at Fraser High in the 90s. "We had 90-minute block classes every other day. Sure, we could've called them A days or B days, but I thought we should make use of our traditional school colors, blue and gold. Hence they became known as Blue days and Gold days." He has come back and visited here and there, but has not entered the completely redesigned middle school. "The only old parts left are the gym, band/choir, shop and drafting, cafeteria and the 80's wing. My old classroom was in there."

Now at age 64, Muendelein recalls his many years at FHS and the things he has kept busy with since retiring. "There's my annual Mackinac Island trips. We do a lot of walking around the island up there," he replied, taking his wife and kids (2 girls and a boy) for many years to the automobile-less island which is 9 miles around. He has

taken a cruise up to Alaska and driven from Seward to Fairbanks. "I've seen some Kodiak (brown bears), seals and whales on my trip. Most memorable was the 50-60 foot high Hubbard Glacier which was very slowly moving alongside our boat as we went by. But the highlight of the trip was river rafting on the Nenani River. That was breathtaking, to say the least."

With his youngest daughter down at Tulane University, during the time the Katrina hurricane hit, he and his wife went down. "The aftermath was horrendous. You'd see photos on the news and it looked real bad but, in real life, it was a lot worse than the media would show. In any event, I got to see Presidents Clinton and George H.W. Bush."

Outside of trips, Kurt is a big puzzle fiend. He loves the new sudoku puzzles, along with the traditional crossword puzzles. He also is into philately (stamp collecting). He claims to have 15,000 to 20,000 stamps, mostly domestic." One from 1857, is still on the envelope, and the letter inside is a note demanding payment of a debt. The stamp was not cancelled." It's great that he keeps busy. It is time to bid a fond farewell to Kurt and his family, while Kurt Muendelein wishes only the best to all of his students.

Next year's teacher feature will be on Gerald Perry.

CLASS OF 1951 55th CLASS REUNION

1951 Class Reunion

By Therese 'Nielsen' Hagerty

Imagine, it has been 55 years since we walked together down the halls of old Fraser High. Over those years, many things have changed around the town. If you think about it, the only thing left of our high school is the stage of the old gymnasium. Yet, our friendships that began in school have withstood the change of time.

We began the celebration of our 55th reunion at Sajo's Restaurant. Walking into the room, you could tell that Theresa 'Gregory' Bielawski and her side-kick Ralph, took great care to ensure that every little detail was done for this special night...from the table settings, to the cake table, to the gold and blue floral arrangements...they made sure that the evening was a great success. I personally would like to give Theresa and Ralph a standing ovation for all of their planning and hard work.

A great time was had by all who attended the party that evening...Ralph Bock, Jerry & Joyce 'Oehmke' Cornelissen, Ron (Mary Beth) Davis, Ken & Jean 'Dobies' Klein, Carlyle Gaulin, Theresa 'Gregory' (Ralph) Bielawski, Shirley 'Hamilton' (Don)

Cruise, John (Cindy) Hartsig, Willie (Karen) Huetter, Kenny & Cheryl 'Hein' McPherson, Marvin (Sally) Oehmke, Bill Saul, Jim (Birdie) Wnuk and myself (Jim)...even after 55 years, the girls were as beautiful as ever and the 'old' guys were just as handsome as the night of our graduation.

Being a class of party animals, we continued the merriment by venturing over to the FSH 25+ picnic the following day and joined hundreds of other alumni to remember days gone by. But, as with all good things, our festivities had to come to an end. So, as the sun began to set over Steffens Park, we sadly said farewell to our fellow classmates.

In closing, I would like to mention that we greatly missed those of you who could not attend the 55th reunion and hope that you'll be able to attend our 60th reunion for the class of 1951.

NEW - Picnic Picture Times

A review of the class picture taking process has been completed. It seems that some alumni were missing out on the sessions due to various reasons such as not hearing the announcements, arriving too late, leaving too early and others. This year we have decided to make a few changes in the process and in turn hopefully make it easier on everyone.

We will now post a schedule listing the times and the class years involved in each photo session. The idea is to group several class years of alumni together for each picture. The pictures will then be offered for sale in an 8"x10" color enlargement at the price of \$10.00 per picture. This will include the mailing of the picture to you. The tentative times and classes involved are listed below. Individual class photos can be scheduled before or after the main sessions are completed. The groupings are based on last year's attendance and is subject to change.

<u>Class Years</u>	<u>Time</u>
1939 – 1949	1:30
1950 – 1954	1:50
1955 – 1959	2:10
1960 – 1964	2:30
1965 – 1969	2:50
1970 – 1974	3:10
1975 – 1979	3:30
1980 – 1982	3:50

Should you decide to pre-pay for your photo(s), simply include your payment (\$10.00 per picture) with your registration fee (\$10.00 per family) and send to Jan Smits-Kimball, c/o FHS 25+ ALUMNI CLUB, Ferran's International Flowers, 36640 Garfield, Clinton Twp., MI. 48035.

Thanks very much and we'll see you in August!

Florida Winter Reunion took place on Saturday, March 3, 2007. There were alumni from all parts of Florida arriving at the Sun-N-Fun RV Resort in Sarasota. Many attendees had planned their winter vacation to coincide with the event. Nearly 60 people attended, 39 were FHS Alumni. After a refreshing lunch and much conversation, the group was entertained by a Mountain Dulcimer

musical group. The next winter Florida reunion will be in Royal Palm Beach, on Saturday, March 8, 2008. Hosts will be Rich and Elsie 'Larson' Rigen. Flyers will be mailed to all Florida permanent residents. **Attention all Snowbirds:** Please update the Alumni database with your Florida address for winter mailings, by e-mailing Jan 'Smits' Kimball at: jan@ferranflorist.com

WHAT'S BEEN HAPPENING...

Mitchell Ritter ('67) is currently the assistant superintendent of the Clintondale Community Schools, after serving as principal of Clintondale High School for a number of years.

Myra 'Kollmorgen' Kieffer ('70) has passed 35 years of employment at The Macomb Daily. She heads the promotions department.

Mike Carnegie ('78) had an appearance in the movie "Ladder 49" along with two other alumni and three Fraser firefighters.

Debbie 'Fraser' Brophy ('77) is currently the manager of bookkeeping at the Farmer Jack, Gratiot at 13 Mile.

Lu Battaglieri, special ed teacher ('74-'92) is executive director of the Michigan Assoc. of Teachers, the largest teachers union in Macomb County. After serving as Fraser's union president, he served as President of the union since 1999.

John Comryn ('81) has been assistant principal at Fraser High since 2004.

Gordon Bourland, science teacher (73-96) and MISD consultant, was elected Emmet County Democratic Comm. Chairman. He was formerly on city council for the City of Utica, and chairman of MEAI-NEA Local 1.

Next year we will welcome the class of 1983 - but first we need addresses. If any one has access to these, please contact me at jan@ferranflorist.com or (586)791-4300

This year we welcome the class of 1982, unfortunately we don't have many addresses. If you have access to these addresses, please have someone contact me at jan@ferranflorist.com or (586)791-4300 for input into our database.

2008 Florida Reunion

The next FHS Florida Reunion will be held on Saturday, March 8, 2008 at the home of Rich and Elsie 'Larson' Rigen in Royal Palm Beach. Flyers will go out the first of the year to all FHS graduates residing, wintering or just vacationing in Florida at the time of the reunion, providing we have your addresses. If you will be in Florida in March and are considering attending, please be sure the FHS 25+ Club has your Florida address. Cost to attend the reunion is \$5 per person, \$10 per family and includes a BBQ lunch and dessert. Coffee and soft drinks will be available; bring your own alcoholic beverages. Lion Country Safari has a large campground for those who want to camp, but it fills up quickly because of the polo activities at the nearby polo grounds, same for the hotels. If you're making your plans early, e-mail elsieethel@aol.com for information, or call (561) 333-0061.
